Appeal for prayers and support for Ukraine from Bishop Samiec .

With sadness and fear I think about this morning's aggression of Russia against Ukraine. I am concerned that, despite the experience of war more than 80 years ago, gunfire and bombing are again being heard just across our eastern border. My thoughts are with the people of Ukraine, whose lives are now in serious danger.

First of all, I want to ask you today to pray, because in God is the quietness of our souls. Let us pray together to our Lord and God of peace to act, to calm our fear and stop the war. Let us ask through Jesus Christ for sobriety for the aggressors, for an end to invasion and for peace between people. Let us also ask for protection of all those who suffer from military action. We can turn to God with the words of the prayer included below, but all our silent and loud prayers are also needed.

Many people in Poland, as well as our church, are in close contact with the people of Ukraine, some of whom have family, friends and people of faith there. We hear that many of them are seeking protection locally, but there are also those who are fleeing into places where they can be safe. Therefore, I turn to you with an appeal and a request to open your parishes to the sisters and brothers of Ukraine. Please let me know of any parishes that would be willing to welcome people from Ukraine and offer them support during this difficult time. We want to stand together now and provide help to those who need assistance and shelter from war.

In our savior Jesus Christ is our hope. We entrust all our worries and fears to Him. Have mercy, Lord.

Yours in Christ,
Bishop Jerzy Samiec
