Don't throw away your Covid-19 test kits, even though they may be marked expired! You can take your test(s) to a pharmacy and they will be able to tell you if it's still good or not. Generally, the tests are good for 6-12 months past the expiration date.

We have the list of needed school supplies from the staff at Washington Elementary.

You can choose whatever you would like to buy from the list below and bring it in

If you would rather donate money and not shop for supplies yourself, you can make checks out to Suzanne Stephen or Gae Nichols and they will shop for you!
